Having a second home is a rare pleasure - and one that you should continue to enjoy no matter what the circumstance. This is why GENERALI offers you a special contract: Domicile - Secondary Residence.

The Domicile - Secondary Residence contract offers all the basic coverage granted under the HOME ASSISTANCE policy, plus the choice of any one of the three protection formulas described in the table (opposite). And to ensure that your peace of mind is total, you benefit from the following special coverage and services provided by Europ Assistance:

- Home repairs, gardening, housecleaning... If you are looking for professionals that you can trust to take care of your second home, GENERALI will put you in contact with reliable local service providers.
- If you are away when a loss occurs, we can arrange for the surveillance of your home for seven days, the time to complete requisite measures and to return home.
- If your residence becomes uninhabitable after a loss, and requires repair work that you would like to personally oversee, GENERALI will pay for up to two visits per month to the site of work (including one night hotel per stay).
